Case No. AP-80-16

Upon consideration of applicant's motion for issuance of a subpoena, filed June 20, 1980, and the opposition thereto of protestant Executive Limousine Service, Inc., filed June 27, 1980:

IT IS ORDERED that said motion is denied without prejudice to its subsequent renewal inasmuch as the matters to be discovered by the subject subpoena (a) are largely included in protestant's 1979 annual report, a copy of which has been served on applicant, (b) are within the scope of protestant's affirmative burden of proof and would not be relevant unless first raised by protestant at the hearing on this matter scheduled for July 9, 1980, or (c) have not otherwise been shown to be relevant to the issues now properly of record.
